Tenant	Aldgate Digital Infrastructure plc
Property	12.1 ha at Aldgate Park, Thurrock, RM18 8RH
Title number	EX998877 (leasehold, registered)
Term commencement	1 January 2026

1. Demise and term

1.1 The Landlord demises the Property to the Tenant for a term of thirty-five (35) years from 1 January 2026, granting exclusive possession of the land registered under title EX998877 (12.1 hectares).

1.2 The Lease is registered at HM Land Registry. It contains no break clause exercisable by the Landlord before year 25; the Tenant holds a tenant-only break at year 25 on twelve months' notice.

2. Permitted use

2.1 The permitted use is a data centre and ancillary plant including on-site electrical infrastructure, transformers, and standby generation, together with associated offices and security facilities.

3. Rent and review

3.1 The initial rent is £1.65m per annum, reviewed every fifth year to open market value on an upward-only basis.

4. Tenant and landlord covenants

4.1 The Tenant covenants to repair, insure, and comply with all statutory requirements, and to permit the Landlord's grid and utility easements. The Landlord covenants for quiet enjoyment and to procure the grant of necessary wayleaves for the connection works.

5. Alienation and grid works

5.1 The Tenant may grant easements and wayleaves to the network operator and the DNO for the connection and metering equipment without the Landlord's consent, such rights to survive determination of the Lease.
