

Lease — Land adjacent to Stalybridge 275 kV

Pennine Flexible Power Ltd

Landlord	Tame Valley Industrial Estates Ltd
Tenant	Pennine Flexible Power Ltd
Property	4.0 ha on Plan PN-RL-02, adjacent to Stalybridge 275 kV
Term	25 years from completion (+10-year tenant option)

1. Demise and term

1.1 The Landlord demises the Property to the Tenant for a term of twenty-five (25) years from completion, with a tenant-only option to renew for a further ten (10) years on the same terms save as to rent.

2. Demised area and permitted use

2.1 The demised area extends to 4.0 hectares as shown on Plan PN-RL-02. The permitted use is a battery energy storage system and associated electrical connection works, including the grid transformer compound and control building.

3. Grid easements

3.1 The Tenant is granted, and may grant onward to the network operator, all easements necessary for the 275 kV connection, cabling, and metering, to survive determination of this Lease.
