

Heads of Terms — Anchor Tenancy (Non-Binding)

Aldgate Digital Infrastructure plc and [Cloud Provider]

These Heads of Terms record the parties' current intentions in relation to a prospective anchor tenancy and are expressly SUBJECT TO CONTRACT and NON-BINDING.

Indicative commitment: up to 70% of available IT capacity, subject to the negotiation and execution of a definitive lease and service agreement, and to the tenant's internal investment approval.

Either party may withdraw at any time before execution of the definitive agreements without liability.
