

Planning Status — Thurrock Council

Re: Aldgate Park data-centre campus

This letter confirms the current planning status of the proposed development at Aldgate Park.

An EIA screening request was submitted to the Local Planning Authority on 14 April 2026. A formal planning application has not yet been submitted, and no planning permission has been granted to date.

The Council anticipates a screening opinion within the statutory period. The applicant should not rely on this letter as evidence of consent.
